((SiriusXM)) 34M     100K     79K     52K

With effortless charm and down-to-earth energy, Nicole Ryan instantly lights up any screen, stage, and studio. She first hit the airwaves as a co-host of “The Morning Mash Up” – the SiriusXM Hits 1 daily talk show frequented by today’s biggest pop stars. Her breakout success spans TV, digital media, brand ambassadorship, the live-event market, and beyond. As she trail blazes a self-styled career that highlights many facets of her magnetic personality—pop culture expert, culinary enthusiast, fitness buff, wife and mom – Ryan infuses every undertaking with her sharp sense of humor and genuinely radiant presence.

***Nicole exudes so much personality and performed so effortlessly as our MC during Grammy week. We can't wait to have her contagious energy back in our panels and on our red carpet in 2022.***
